GUIDE

METAL ON-DEMAND!

WE'RE YOUR METAL TITAN.

Metal Alliance has the metal you need, when you need it.

We stock one of the largest inventories of quality coil and

flats in the Southeast. Ready-to ship in the most widely

used strengths and sizes, we offer the best selection of

colors and strongest partner warranties in the industry.

Whatever your requirements, we want to be the metal

supplier you can count on, *every order, every day.*

WeatherXL™ 50% SMP Coatings

Colors that Create a Lasting Impression

Created to withstand almost anything that comes its way, WeatherXL is a specially formulated silicone-modified polyester coating designed to go where it will be abused —maintaining extreme resistance to abrasion, chipping and marring with tremendous color and gloss retention. This cool finish also helps lower a structure's overall temperature, saving on energy costs.
